NEWLY BUILT

TALAIES DE CANYAMEL – NEW BUILD APARTMENTS – NORTH-EAST MALLORCA

PROJECT DESCRIPTION

This exclusive residential complex called ‘Talaies de Canyamel’ will have 14 apartments with 2 or 3 bedrooms and 1, 2 or 3 bathrooms, distributed over two residential buildings. The apartment types include apartments with gardens, penthouses with roof terraces and maisonette apartments with roof terraces, adapted to the current Mediterranean lifestyle.

This residential complex is located in the middle of a large pine forest and consists of two 4-storey blocks with unique architecture.

The apartments are bright thanks to large balconies and windows. They have air conditioning, electric underfloor heating in the bathrooms and fully equipped kitchens with a modern and functional design.

A perfect environment for those seeking quality of life, tranquillity and connection with nature without sacrificing comfort.

Built year	2025

COMPLETION AND DELIVERY OF THE APARTMENTS IS SCHEDULED FOR APRIL 2027!
