STUNNING NEW RESIDENCE: ALLURE OF SANT JORDI

This new residence in Colonia de Sant Jordi in the south of Mallorca blends into its surroundings with a unique architectural design in shades of white and brown, just 100 metres from the sea.

This residence is made up of 28 homes distributed in two phases: 14 apartments, divided into ground floor apartments with garden or first floor apartments with large terraces, 6 penthouses with solariums, 2 duplex penthouses with solariums and 6 duplex with gardens. A project where you can live and enjoy the Mediterranean climate. The communal areas of phase 1 include a swimming pool, jacuzzi, sun loungers, beach-pool and interior paths framed in the same residential. In phase 2, the duplex and penthouses will have the option of a private swimming pool in the garden or, jacuzzi or individual panoramic swimming pool in the solarium. All homes will have a parking space and storage room. Fall in love with the beauty of your new home in Colonia de Sant Jordi.

Built year

2024

You can choose from a wide range of properties, with East, West and Southwest facings:

- Apartments with garden or terrace with 2 and 3 bedrooms and 2 and 3 bathrooms.
- Penthouses with solarium with 3 bed rooms and 2 bathrooms.
- Duplex with garden or solarium with 3 bedrooms and 2 bathrooms.

All are very bright with large windows and perfect cross ventilation to take advantage of the maximum hours of sunshine and natural light. The apartments will have the best finishes and qualities such as kitchens open to the living room with quartz worktops, air conditioning, electric underfloor heating in bathrooms and motorised blinds, amongst others.

In the picture gallery you can see an example floor plan for each of the following:
