Newly built: Beautiful villa Cala Murada/Cala Domingos

This newly built villa in Cala Murada/Cala Domingos offers a total living area of 147 m2 over 2 living levels plus various terraces and a spacious basement area. On the upper floor there is a bright living room with open-plan kitchen and access to the terrace with wonderful views of the surrounding countryside and the private swimming pool, a fully equipped kitchen, a guest toilet and a bedroom with bathroom en suite. In the basement there are two further bedrooms with en suite bathrooms and a further room that can be used as a TV room, office, games room or 4th bedroom as required. A private car parking space completes the offer.

The property is characterised by its avant-garde architecture and glazed design, created by the renowned architectural firm LECOC, known for innovation and exceptional design. The villas are designed to offer a sense of freedom and flexibility, with wide panoramic views that connect the interior with the outside world and provide an open and bright living experience. The villa is part of a complex of 21 luxury villas, all of which will feature large, floor-to-ceiling windows and linear architecture. Natural materials of high quality will be used in the construction, taking sustainability into account. All houses will be equipped with an aerothermal system, which will be used for underfloor heating as well as for heating and air conditioning.

Further features include:

Fully equipped kitchen, guest toilet, tiled floor (Porcelanosa), air conditioning hot/cold, double glazed windows, underfloor heating (heat pump), private car park (21 m2), swimming pool (17 m2), spacious terraces, SAT TV, 60 m2 basement.
