NEWLY BUILT

Excellent new build flats at the Cala D'Or marina

These magnificent new-build flats are being built in a residence in Cala D'Or, in the east of Mallorca, with a total of 36 flats in 3 residential buildings, which are expected to be completed in April 2025. The flats are surrounded by extensive gardens with a communal pool, ideal for enjoying the beautiful Mediterranean climate. A design was chosen that is characterised by an avant-garde architectural style and where the building elements are predominantly white. The ground floor flats have spacious, covered terraces and their own private garden area. All other flats also have large terraces with beautiful views of the Cala D'Or marina and the communal gardens. The penthouses also have beautiful roof terraces with pre-installation for a private pool. The layout of the flats is as follows: Spacious living room with glass frontage to the covered terrace, an open-plan kitchen with integrated dining area, the master bedroom with en suite bathroom and a separate bathroom. Each residential unit includes a car parking space within the complex and a storage room in the basement.

THIS RESIDENCE IS SOLD OUT!

This new residence is located on the south-east coast of Mallorca in Cala d'Or, a modern holiday resort with a small fishing harbour and numerous idyllic bays with crystal-clear water, such as Cala Mondragó, which has been declared a nature reserve, and the beaches of Calo d'Es Pou and Cala Esmeralda. The residential complex is located just a few metres from the marina in Cala d'Or and the famous marina is not only ideal for boat owners, but also spoils its visitors with exquisite Mediterranean cuisine in many restaurants and bars. For golf lovers, the renowned 18-hole Vall d'Or golf course is not far away. The small town invites you to stroll around with its numerous pedestrianised areas and offers plenty of variety with a large selection of boutiques, small shops, restaurants and bars. Cala d'Or is also characterised by a pleasant ambience in the evenings.
