Warm and invigorating high-end interiors are characterized by their layout and materials with unique expressions. From the lighting to the furniture, everything has been carefully selected to create a beautiful home. The design is designed to relax and enjoy the tranquility of the unobstructed view.

The materials with a Mediterranean flair blend perfectly with the striking architectural elements. Natural materials such as marble or wooden such as marble or wooden surfaces with high-tech architectural materials such as steel or steel or glass.

The meticulous interior design is reflected in the use of finely detailed accessories in contrast to natural surfaces, creating a very sophisticated and ultra-modern interior. Refined master bathrooms with marble walls and floors create a relaxing atmosphere.

Paguera is located in the southwest coast of Mallorca just an approximately
