Description of the residence:

ESSENCE OF SA CALA – SA FONT DE SA CALA

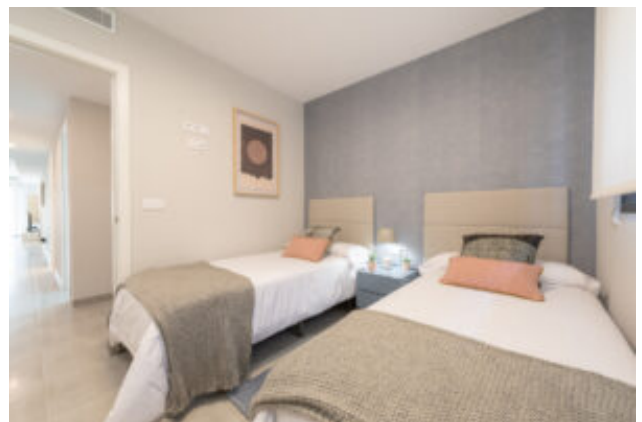

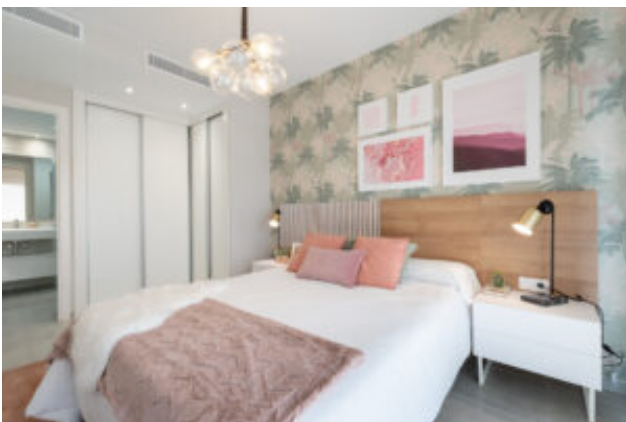

The residence "Essence of Sa Cala" consists of a total of 42 living units, 31 of them in 2 blocks of apartments with 2 and 3 bedrooms and 11 semi-detached and detached houses with 2 and 3 bedrooms. Among the apartments you can choose between a first floor apartment with a private garden area, a floor apartment or a penthouse apartment with a roof terrace. An underground parking space and a storage room are included in the price of each apartment. If, on the other hand, you decide to buy a house, you can choose between a semi-detached house and a detached villa. All of them are spread over 2 floors and offer a roof terrace, a garden and a private parking space on the same plot.

The Essence of Sa Cala residential complex is located in the east of Mallorca, surrounded by coves with crystal clear turquoise waters, cliffs and green areas. All the houses face south, with large windows and balconies that provide more light and spaciousness, which also comes with a beautiful view of the sea and/or the mountains. Essence of Sa Cala has a large common area with swimming pool, jacuzzi, children's playground and communal green areas.
