Magnificent new-build terraced house – Esporles

This beautiful new-build terraced house in Esporles offers a constructed area of approx. 142 m2 on two living levels. On the ground floor, the property has a spacious and light-filled living/dining room with access to a terrace with an adjoining small garden area (33 m2), a guest toilet and an open-plan kitchen with adjoining utility area. On the upper floor are the master bedroom with en-suite bathroom, two further double bedrooms, one of which has access to another terrace, and another bathroom. A private parking space in front of the house (20 m2) completes the offer.

Description of the residence:

This new residence with 13 beautiful town houses in Esporles in the west of Mallorca is currently under construction and is expected to be completed in March 2026. All houses will be built in the authentic style of Mallorcan village houses. The terraces are south-west facing and all houses have their own private garden area with access to the communal terrace with a beautiful swimming pool. Each house comes with a private car parking space.

Please enquire about current availability!
