NEWLY BUILT

NEW CONSTRUCTION LA PERLA DE SA COMA

This new residence is being built in the east of Mallorca in the sought-after seaside resort of Sa Coma, not far from Manacor. Mallorca's second largest city Manacor can be reached in about 20 minutes by car and the "Club de Golf de Son Servera" is about 15 minutes away by car. To the city center of Palma de Mallorca and the international airport you get in approximately 50 minutes by car.

The residence "La Perla de Sa Coma" will be built close to the beautiful sandy beach and will have 29 flats with 2 or 3 bedrooms. In addition, the residence will have a wonderful communal pool, a separate children's pool, a jacuzzi, a playground and parking spaces.

The building faces south and stands out from its surroundings with its innovative design. The flats are designed to make the most of natural light and ventilation, thanks to the large balconies that provide access to the verandas or terraces from the living room and master bedroom. All the flats have fully equipped kitchens, aerothermal air conditioning and electric underfloor heating in both bathrooms.
