Newly built flat Colonia de Sant Jordi

This newly built flat on the 1st floor in Colonia de Sant Jordi offers a living area of 98 m2 plus a terrace of 20 m2. The flat is divided into the living room with dining area and access to the terrace, the open-plan kitchen, a utility room, the master bedroom with bathroom en suite and also access to the terrace, a further double bedroom and a separate bathroom.

Completion is scheduled for November 2026.

DESCRIPTION OF THE RESIDENCE

This new residence in Colonia de Sant Jordi in the south of Mallorca blends into its surroundings with a unique architectural design in shades of white and brown, just 100 metres from the sea.

This residence is made up of 28 homes distributed in two phases: 14 apartments, divided into ground floor apartments with garden or first floor apartments with large terraces, 6 penthouses with solariums, 2 duplex penthouses with solariums and 6 duplex with gardens. A project where you can live and enjoy the Mediterranean climate. The communal areas of phase 1 include a swimming pool, jacuzzi, sun loungers, beach-pool and interior paths framed in the same residential. In phase 2, the duplex and penthouses will have the option of a private swimming pool in the garden or, jacuzzi or individual panoramic swimming pool in the solarium. All homes will have a parking space and storage room. Fall in love with the beauty of your new home in Colonia de Sant Jordi.
