Paguera is a very popular holiday resort in the south-west of Mallorca and is dominated by hotels, residences and restaurants. The town has a total of three beaches: Platja Palmira, Platja de Tora and Platja de la Romana. The beaches slope gently into the water and are therefore also suitable for smaller children. The beaches are connected by a promenade and are very popular, not least because of their fine sand, cleanliness and shallow water, which is particularly important for families with small children. The surrounding area offers hiking opportunities in the hilly hinterland with pine forests. There are also various sports and leisure activities to choose from. The golf club Golf D`Andratx in Camp de Mar can be reached in a few minutes by car, as can the natural harbour of Puerto Andratx with its fine restaurants, cafés and bars. The city centre of Palma de Mallorca and the international airport can be reached in approx. 30 minutes by car.
