NEWLY BUILT

Pure luxury: Exclusive apartment in Santa Catalina

This exclusive upper floor apartment with a constructed area of 96 m² features a living/dining room with an open-plan luxury kitchen and access to a fabulous terrace of approx. 28 m² with a barbecue area and whirlpool. An elegant and very spacious master suite (27 m²) with integrated luxury bathroom and an underground parking space complete the offer.

The images shown here in the gallery are 3D views. The description refers to the enclosed floor plan as shown with imagen 24 in the picture gallery.

Construction will begin in October 2025 and handover is planned for spring 2028. Residential units are currently available between €1,320,000 and €9,100,000.

Description of the development:

XO-JONQUET: Your gateway to luxury living in Palma de Mallorca

Discover XO JONQUET, a masterpiece of modern architecture that blends seamlessly into the popular Santa Catalina neighbourhood in Palma de Mallorca. An ensemble of four boutique residential complexes between Santa Catalina and Palma's harbour promenade, designed to blend harmoniously into the urban environment and offer an unparalleled living experience. Sophisticated 1-, 2- and 3-bedroom flats from 120 to 400 m2 as well as an 850 m2 private villa. The properties are equipped with high-quality appliances and innovative technologies and offer exceptional views of the sunset over the Paseo Marítimo. All four blocks have spacious and very bright living areas with high-quality fixtures and fittings as well as large private terraces, gardens and roof terraces. All parts of the buildings are connected by gardens and walkways on the ground floor and are linked to the communal facilities. The façades are designed in Mallorcan style. Contemporary façades with architectural elements that blend harmoniously into the traditional style and catch the eye. The style is characterised by traditional Mallorcan elements such as Mallorcan wooden shutters, Arabic roof tiles, pitched wooden roofs and covered terraces.
